

## Reflection Gestalt Therapy Group

### APPLICATION FORM

If you are interested in joining this ongoing group please complete this form and return the completed form to us.

We prefer participants to have had previous personal therapy and/or be currently engaged in personal therapy. This is due to therapy groups potentially being more challenging and some emotional resilience and current therapeutic support can significantly add to the benefit gained from group work.

On receipt of this completed form one of us will contact you to organise a brief telephone interview.
